

GENEALOGY TOURS

Ireland's largest export, for centuries, has been its people and to the four corners of globe they spread.

Successive waves spread, mostly to seek a better life in the "New world"

Australia, New Zealand, Canada,

Argentina and, of course, the US of A were where these people mainly emigrated.

These days many people want to find their roots and Ireland is now a world leader in assisting people trace their heritage and are returning to their ancestral home to find their roots.

Tours and trips can be tailor made to suit the needs of the client/s from transport and accommodation to even knocking doors. Please just send the request and we can take it from there.
